## Emma writes...

### It is a privilege to be your Federal Member of Parliament.

You have elected me to be your voice in Canberra, and I will work hard to make sure our area gets the attention it deserves.

I am passionate about the Central Coast. I grew up here, and I live and work here. I'm proud to call this beautiful area my home.

I have worked as a Pharmacist for almost 20 years, including ten years based at Wyong Hospital. High quality and accessible healthcare is vital for our community, and as your local MP, I will work to ensure we receive our fair share of health funding.

My job is to represent you, and the best way for me to do this is to meet you and listen to your concerns.

There are several ways you can contact me. In this newsletter you will find a list of 'listening post' locations, so please call by and see me. You can also call me, write to me or drop in to my office in Tuggerah. I'm also on Twitter and Facebook.

Thank you for placing your trust in me. I will work hard for you.

Until next time,

Emma
